THE PRESIDENT'S LECTURE

The President's Lecture originated in 2007 in honor of the founder and President of Perinatal Resources, Inc.:

Frederick P. Zuspan, M.D.

In 2007, the award went to Dr. Melissa Fries. The 2008 President's Lecture is awarded to **Kathryn Zuspan, M.D.**

NOTES OF INTEREST

Please register for the course before making your flight reservations.

Weather and Dress: Ohio weather in October is often unpredictable, but mostly cool with temperatures usually in the 50's and 60's. Dress is casual for the course. Since room temperatures and personal comfort levels vary, it is recommended that you dress in layers.

There are no planned activities for accompanying spouses or families, but a visitor's guide is provided by the Greater Columbus Convention & Visitors Bureau with complete event schedules, restaurant listings and other information. Also in the downtown area are the Ohio and Palace Theaters, Historic German Village, and the Downtown Arena District.

This activity has been planned and implemented in accordance with the essential areas and policies of the Accreditation Council for Continuing Medical Education (ACCME) by Perinatal Resources, Inc. (PRI). PRI presents this activity for educational purposes only. Participants are expected to utilize their own expertise and judgment while engaged in the practice of medicine.

A lactation room with television monitor, refrigerator and microwave oven is available throughout the conference for nursing mothers.

ACCOMMODATIONS

Rooms are being held at the Hyatt on Capitol Square in downtown Columbus, Ohio for \$136.00 per night until August 29, 2008. You may call the Hyatt's direct reservation line at (614) 228-1234. *Identify yourself as an attendee of the Columbus Comprehensive Review to receive the discounted rate.*

For a detailed schedule and additional information, visit our website: www.perinatalresources.org
